*Business  
Solutions*

# A *solution* for your business

At **The Learning Academy Employment Services**, we offer businesses solutions to meeting your diversity goals by customizing employment for people who are reliable, competent and talented. As business leaders, you understand that having a diversified and inclusive workplace enhances recruitment and retention of valued employees and can increase your customer base.

# Providing *services* to promote success

We have created a win-win opportunity for both the business and the potential employee. Providing three types of job services, we can offer employers varying levels of support to develop long term and loyal employees. Our representatives will work with your management team to train new employees we have matched with your available position and monitor the employee through the first year of his or her tenure in your business.

As our goal is to provide an employee who is successful in meeting all job expectations, we will be available for consultation to ensure this outcome.

# What's the *benefit* to you as an employer?

In addition to recruiting a great employee who you can count on, you receive support and consultation at no cost for a year after the employee is hired through The Learning Academy Employment Services.

There are also various tax incentives available for hiring people that we recruit for your business.

*Let's build a stronger team.*
